Introduction and Background

Introduction

The Auditor-Controller-Treasurer-Tax Collector, Internal Audit division has completed a compliance audit of the County of Sonoma Treasury for the quarter ending December 31, 2021. We conducted our audit in accordance with the *International Standards for the professional Practice of Internal Auditing (Standards)*, and in accordance with certain sections of the California Government Code. These standards require that we identify, analyze, evaluate, and document sufficient information and evidence to achieve our audit objectives. We believe that the evidence obtained provides a reasonable basis for the results, observations, and recommendations contained in our report.

The purpose of our engagement is to determine if 1) the Treasurer maintains an adequate system of controls for the purpose of complying with applicable California Government Code sections, 2) cash and investments per the Controller and Treasurer records were reconciled as required by Government Code §26905, 3) a review was performed of the Treasurer's Statement of Assets by the County Auditor as required by Government Code §26920(a), and 4) a quarterly report was filed with the Clerk of the Board as required by Government Code §26922.

We would like to thank management and staff for their time, information, and cooperation throughout the engagement.

Background

The County of Sonoma Treasury is responsible for the safekeeping and investment of funds for the County, School Districts and Special Districts. The Treasury oversees all banking operations for the County and its Departments. The Treasury also manages, for the quarter ending December 31, 2021, an investment portfolio of over \$3.2 billion and allocated \$3.7 million in interest earnings.

Objectives and Scope

Objectives

The primary objectives of this audit were to determine if:

1. Cash in the Treasury vault agreed with amounts in the Treasury records;
2. Treasury cash and investments existed and agreed with banks' and other safekeeping agents' statements;
3. Internal controls over the preparation and review of quarterly bank reconciliations were adequately designed and implemented;
4. The records of the County Treasurer and Auditor were reconciled;
5. Internal controls over the preparation of the quarterly report of the Treasurer's Statement of Assets were adequate to ensure that it was accurately prepared, approved and timely filed with the Clerk of the Board;
6. The previous quarterly report was submitted to the office of the Clerk of the Board.

Scope

The audit was for the period October 1, 2021 to December 31, 2021. The scope of our work included the following:

- A preliminary survey to update our knowledge of the operating environment; identify changes in laws and regulations, systems, personnel and organization structure.
- A risk analysis to identify significant risks of non-compliance with policies, procedures or laws.
- A review and evaluation of internal controls designed to ensure compliance with the above requirements and to adequately reduce the risk identified.
- Tests of compliance to gain assurance that the internal control system is functioning as intended and is achieving its design objectives.
- Follow up to determine the status of previous audit report findings and recommendations.

Procedures and Results

Procedures

We performed the procedures enumerated below:

1. Observed cash drawer counts in the Treasury vault and verified amounts to Treasury records, per Government Code §26920.
2. Verified existence and proper valuation of Treasury cash and investments held in banks and other safekeeping agents through the agents' statements, per Government Code §26920.
3. Reviewed and traced amounts on bank reconciliations to bank confirmations, reviewed the reconciliation review process, and verified a sample of reconciling items to source documents.
4. Verified that records of the County Treasurer and Auditor have been reconciled, per Government Code §26905.
5. Verified a quarterly report of Treasury assets was properly reviewed, signed, and placed on file with the Clerk of the Board pursuant to Government Code §26922.
6. Verified that the previous quarterly report was submitted to the office of the Clerk of the Board, per Government Code §26922.

Results

Objective #1: **Cash in the Treasury vault agrees with amounts in the Treasury records**

Cash on hand in the Treasury as of December 31, 2021 agrees with Treasury records (Teller Cash Sheets).

Objective #2: **Treasury cash and investments exist and agree with banks' and other safekeeping agents' statements**

The total of cash and investments on hand as of December 31, 2021 per Treasury records and per statements from the banks' and other safekeeping agents were in agreement.

Results

Objective #3: Internal controls over the preparation and review of quarterly bank reconciliations are adequately designed and implemented

Internal controls over the preparation and review of quarterly bank reconciliations are found to be adequately designed and implemented.

Objective #4: The records of the County Treasurer and Auditor have been reconciled

The records of the County Treasurer and Auditor were reconciled during the audit period.

Objective #5: Internal controls over the preparation of the quarterly report of the Treasurer's Statement of Assets are adequate to ensure that it was accurately prepared, approved and timely filed with the Clerk of the Board

Proper reconciliation, reviews and balancing procedures were used to ensure the accuracy of the Treasurer's Statement of Assets. The amounts reported on the Treasurer's Statement of Assets are supported by the Treasurer's records and financial institution statements. We verified that a properly approved statement was filed with the Clerk of the Board.

Objective #6: The previous quarterly report was submitted to the office of the Clerk of the Board

The previous quarterly report was submitted to the office of the Clerk of the Board.
