* Sunset Beach was not sampled until 7/29/15, due to inaccessibility from a sheriff's investigation on 7/28/15.

** Due to time constraints Johnson's Beach, Monte Rio Beach and Patterson Point were not able to be sampled on 8/31/15, but were sampled the next day on 9/1/15.

(note) There were two additional points added for the Monte Rio resample of 9/30/15, due to an excessive level of Total Coliform and E. Coli for the 9/28/15 samples.
