# Federal Transit Administration

## Enhanced Mobility of Seniors and Individuals with Disabilities Program Section 5310

The program aims to improve mobility for older adults and people with disabilities by removing barriers to transportation service and expanding transportation mobility options.

**! Projects must be included in the region's Coordinated Plan to receive consideration for Section 5310 funding**

1

# Metropolitan Transportation Commission Coordinated Public Transit-Human Services Transportation Plan

The Coordinated Plan is the region's blueprint for planning, funding and coordinating transportation for older adults, people with disabilities and low-income populations. The Coordinated Plan identifies transportation gaps, identifies solutions to address those gaps, and provides recommendations to improve mobility and coordination.

2

Two year grants  
January 1, 2025 through December 31, 2026

3

Operating  
Assistance Grant

Alignment with

**MTC Coordinated Plan  
Recommendation:**

**Improve transportation  
access to healthcare**

Transportation vouchers

Mileage reimbursement

- Adult & Aging safety net programs (IHSS, APS, PA, VSO)
- Other community organizations

4

## Mobility Management Grant

Alignment with

**MTC Coordinated Plan Recommendation:**

### Mobility Management

Designate a Mobility Manager in every county

One stop resource for Transportation information

Transportation I&A through ADRH (707-565-INFO)

Referral to paratransit & other transportation services

Collect data on transportation gaps (accessibility, geographic, financial)

Inform transit operators and transportation planners about gaps

Enhance resources for ADRH guide, Sonoma Access website, 211, HSD portal

5

### MTC Mobility Management Flowchart

Mobility management is a strategic, cost-effective approach to encourage the development of services and best practices in the coordination of transportation services connecting people needing transportation to available transportation resources within a community. Its focus is the person — the individual with specific needs — rather than a particular transportation mode

## Priorities

### 1. Supporting Aging Well at Home Through Older Americans Act Program and Services

- OAA Re-Authorization
- Advocacy of OAA Appropriations

### 2. Increase the Capacity of Family Caregivers and Professional Caregivers

- Expand access to home and community based (HCBS) options

2

# Priorities

## 3. Reduce Unnecessary Institutionalization By Protecting Medicaid Home and Community-Based Services

- Recognize that Medicaid is a lifeline for older adults who need long-term services and supports (LTSS)

## 4. Connect Health Care and Aging Sectors to Reduce Costs

- It's vital that any new integrated care models build on, and not supplant or exploit, the Aging Network's existing experts and systems

## Proposed ad hoc committee

### Agenda for Planning Day

5/21/25

Ad hoc committee procedures:

- The Commission may establish an ad hoc committee **to complete a specific task within a limited time frame.**
- The number of members must be less than a quorum of the Commission.
- Meetings are exempt from Brown Act requirements, so can be on Zoom or by email.
- Meetings do not require staff support, but staff may be asked for help if needed.

The Executive Committee has proposed establishment of a new ad hoc committee:

### Agenda for Planning Day

Specific Task: **Recommend agenda items for August 20<sup>th</sup> Planning Day**

May include:

- Drafting agenda topics and desired outcomes
- Planning social activities, opportunities to interact
- Considering whether any agenda items may require outside facilitation
- Consulting with staff about lunch plans
- Scheduling start and end times

Time Frame: **Submit recommendations to Jenny and Cody by August 5, 2025**

### Commission tasks for today:

1. Take a vote on establishing the committee.
2. Ask who is interested on serving on the committee. (Up to 7 members)
3. Designate a committee member to coordinate the first meeting.
